FOREWORD

This addendum updates Figure 4, Climate zones for United States counties, from ASHRAE 169-2020. This addendum also updates Figure 9, U.S. seismic hazard maps, from the US Geological Survey 2018 Hazards Map.

[Note to Reviewers: This addendum makes proposed changes to the current standard. These changes are indicated in the text by underlining (for additions) and ~~striketrough~~ (for deletions) except where the reviewer instructions specifically describe some other means of showing the changes. Only these changes to the current standard are open for review and comment at this time. Additional material is provided for context only and is not open for comment except as it relates to the proposed changes.]
